

REACH Statement

26th November 2008

Ansell Ltd is fully committed to its obligations as per the Regulation 1907/2006, Article 33, concerning the Registration, Evaluation, Authorisation and Restrictions of Chemicals (= REACH).

Required chemical pre-registrations are now complete.

With respect to the current defined Candidate list of Substances of Very High Concern (SVHC's), the following table outlines the Ansell products and chemicals involved.

Glove	Chemical
Synsation™ Exam	DEHP

Ansell Ltd is committed to reformulation of these products to remove those Candidate List materials contained. This will be completed before Authorisation is required.
